

BOLETIN EURES DE OFERTAS DE EMPLEO (FEBRERO 2022)

La **movilidad transeuropea sigue sometida a presiones e incertidumbres** derivadas de la pandemia COVID 19. Por tanto, sigue siendo **MUY RECOMENDABLE informarse de las condiciones de acceso a otros países europeos antes de organizar el viaje.** Para ello es muy útil esta web: <https://reopen.europa.eu/es>, para informarse de si hay algún tipo de nueva documentación o normas de cuarentena vigentes en el país de destino. Si eres uno/a de nuestras usuarias y usuarios residiendo en otro país europeo y estás pensando en volver a Canarias o a otra parte de España, no dejes de consultar esta web del Ministerio de Sanidad del Gobierno de España: <https://www.spth.gob.es>, para conocer el proceso de control sanitario que tiene establecido nuestro país. Les recomendamos que si tuvieran que incorporarse a un puesto de trabajo que suponga desplazarse a otro estado se pongan en contacto, preferentemente por email, con la Consejería de Trabajo de España en el país de destino. Aquí tienen todos los contactos: <https://bit.ly/2UzoqUD>

Les recordamos que pueden contactar con nosotros a través del **sistema de videocita EURES-SCE:** <https://bit.ly/3enXqAd> por email (provincia de [Santa Cruz de Tenerife](#) / provincia de [Las Palmas](#)) en nuestras **redes sociales** (<https://www.facebook.com/Eures.SCE.Gobcan/>) y en el **chat EURES** de 10.00 a 12.00 <http://bit.ly/2Fn67sT> cada viernes.

Are you an experienced Chef? Sweden needs you!

Are you a Chef looking for challenges to take your career to the next level? Visit the online event Chefs for Sweden organized by Eures Sweden Arbetsförmedlingen on March 16th, 1 pm-3 pm.

During this event you will have the unique occasion to meet Swedish employers looking for you.

To join the event Chefs for Sweden:

- Register
- Submit your application
- Chat with employers
- Have an interview
- And get a job!

Everyone who registers will receive useful information on living and working in Sweden, as well as information about our mobility project, Targeted Mobility Scheme (TMS). This project offers financial support, once you get a job in another EU-country.

We look forward to welcoming you on **Chefs for Sweden March 16t , 2022!** For more information, please contact the event team at: chefs@arbetsformedlingen.se

✓ Hardware Developer/Tester

you will work for one of Balance Development clients in or near Gothenburg. You will work on developing electrical components in a cross-functional environment, throughout concept phase up to serial production and maintenance while balancing demands on quality, deliveries, cost and features. The work can consist of developing microcontrollers, ECUs, Power Design, High and low voltage application such as super chargers, mainly in Automotive area. **Qualifications:** We are looking for a person with a Bachelor or Master's degree in Electrical Engineering, Computer Science or similar. You are a highly driven and pro-active person with a passion for hardware engineering, who constantly seeks new knowledge within the area. You have at least 5 years' experience from similar position, and we believe you have knowledge from agile development and enjoy fast growing cooperative environment.

Fuente web EURES España. Más info: <https://bit.ly/3omXnKw>

✓ Software Developer at Balance Development

you will be working as a consultant for our clients in and near Gothenburg. You will be working with different Embedded projects within Automotive, Energy or Telecom for ex. Autonomous vehicles, electrification and data science are some areas where your skills will be used. It's important that you are a team player with good communication skills and fluent in the English language, both verbally and in writing. **Qualifications:** We are looking for a person with 5+ years of experience in developing software using C/C++ according to Agile/SCRUM principles. Close collaboration with the customer, adapting and improving its way of working as well as self-development is valued. We also appreciate background in continuous integration and automation (with tools Git, Jenkins, Conan, CMake), embedded software testing, automotive communication and ISO 26262. Knowledge of Vector tools like CANoe, CANalyzer and Elektra together with Matlab/Simulink and SystemWeaver experience will be good to have as well. Fuente web EURES España. Más info: <https://bit.ly/3AVfCvI>

✓ VETERINARIOS/AS

If you are a licensed veterinarian considering the Swedish labour market you can send in your CV here: <https://bit.ly/2VBFOuW> We will accept your CV and match it with current job offers. Job offers can be all over Sweden. According to our latest figures there is a need of 350 licensed veterinarians in Sweden. Currently, we are in contact with a couple of Swedish employers who cannot find the sufficient amount of veterinarians in Sweden and therefore have decided, with the help of us, to start looking for licensed veterinarians outside of Sweden.
